### Sobre o curso

Take the next step in your Agile journey!

The Advanced Certified ScrumMaster™ (ACSM) program is designed to build on your foundational knowledge with enhanced skills for the implementation of Scrum and Agile techniques within your company and teams.

**Este curso é ministrado em Língua Inglesa.**

#### **O curso inclui:**

- Course materials
- Two years membership to the Scrum Alliance
- Radtac Community membership including face-to-face and virtual networking and knowledge sharing opportunities, access to industry experts, special offers and invitations to special events

## Objetivos:

By the end of this course you will be able to:

- Facilitate dialogue between the Product Owner, team members, customers, stakeholders, and executives.
- Respond confidently when encountering resistance to change, lack of engagement, low motivation, and unavailability of key people.
- Help your company adopt Scrum and support executives committed to Agile values.
- Remove impediments that prevent long-term, deep adoption of Scrum and Agile practices by all parts of the business.
- Explain the value of Scrum and Agile processes to skeptics.
- Increase developer engagement to encourage greater accountability, commitment, and buy-in.
- Extend the impact of Scrum throughout the organisation.
- Scale Scrum and Agile beyond a single team.
- Leverage your learning to gain recognition and status as the local Agile expert in your company.
