Sobre o curso

This two-day course trains delegates in all the key aspects of the Scrum Framework to prepare delegates to not only take the Scrum Alliance ScrumMaster® exam but employ practical skills & knowledge required to drive a successful Scrum Project as a ScrumMaster.

Este curso é ministrado em Língua Inglesa.

O curso inclui:

- Certification Exam;
- Recognition by the Scrum Alliance as a Certified Scrum Master after passing the exam;
- Two years membership to the Scrum Alliance;
- Radtac Community membership including face-to-face and virtual networking and knowledge sharing opportunities, access to industry experts, special offers and invitations to special events
- Scrum Education Units (SEUs): Attendees may be eligible to apply for 16 Scrum Educational Units (SEUs) towards their CSP (Certified Scrum Professional) through the [Scrum Alliance](#);
- PMI Professional Development Units (PDUS): Attendees may be eligible to apply for 16 PDUs towards their continuing education requirements with PMI.

- Enrolling in CSM – Certified Scrum Master, gives you access to the e-learning course *Scrum Fundamentals*, from Radtac University, which you should complete before starting CSM.

By the end of this course you will be able to:

- Participate actively as a Scrum Team member
- Function effectively as the Certified Scrum Master for the Scrum Team
- Deliver a successful Scrum project
- Explain and sell Agile and the Scrum framework to other key stakeholders
- Set-up and facilitate Scrum Meetings
- Understand the Scrum roles, artefacts, events, and practices

Destinatários

- This course will benefit anyone who seeks to achieve the role of ScrumMaster® to drive a Scrum project, and applies to those with a background as Customer/Users, Project Managers or Developers.
- It will also benefit anyone who is to be involved in a Scrum Project, and in any of the Scrum Roles.
- The course is also suitable for those involved in transitioning to Scrum within their own organisation.

Pré-requisitos

- Students are expected to complete the pre-course reading prior to attending. You should allow some time prior to the course to familiarise yourself with key Scrum terms and definitions, as described in the [Scrum Guide](#). An online, as well as downloadable pdf version of the Scrum Guide, is available as pre-reading.
- Bons Conhecimentos de inglês – este curso é ministrado em Inglês

Metodologia

You should be aware that this is a Certified Course and 8 hours of training per day **MUST** be attended.

This means you must be present at all times during the daily start/end times detailed above; your day will however include 1.5 hours break. You must attend this time to be eligible for certification and the trainer

reserves the right **not** to register you with the Scrum Alliance if you do not attend the training for the required hours.
